

# Ashanti Fleur Bayais

---

Parañaque City, 1700 • ashantifleur.work@gmail.com • + 63 999 977 0173

A hardworking individual with experience in public speaking, leadership, and teamwork. Skilled in editing, layout design, and fact-checking, with a solid grasp of media production. Passionate about clear communication and eager to contribute creativity and discipline to dynamic environments.

## Skills and Abilities

---

### Technical Skills

- Demonstrated proficiency in graphic design, layout creation, and content editing, producing visually appealing and well-organized presentations, documents, and digital materials.
- Applied knowledge of visual design principles, formatting techniques, and digital tools to develop professional layouts and enhance the quality and effectiveness of communication materials.
- Exhibited strong technical aptitude and adaptability in utilizing modern gadgets, software applications, and emerging digital technologies to support productivity, creative projects, and business-related tasks.

### Communication Skills

- Demonstrated strong verbal and written communication skills, effectively conveying information and collaborating with teams, clients, and stakeholders to support efficient operations.
- Applied communication, customer service, and problem-solving abilities to address inquiries, provide accurate information, and deliver professional support while maintaining clarity, professionalism, and attention to detail.

### Marketing & Advertising Skills

- Demonstrated strong marketing and advertising expertise through the development and execution of content strategies that increased audience engagement, strengthened brand visibility, and supported business objectives across digital platforms.
- Proven leadership abilities in planning, coordinating, and guiding marketing initiatives, effectively managing projects, collaborating with cross-functional teams, and ensuring the successful delivery of campaigns and promotional activities.
- Experienced in social media management, content planning, and audience engagement, utilizing data-driven insights, creative thinking, and market trends to create impactful content and maintain a consistent and engaging online presence.

### Organizational Skills

- Demonstrated strong organizational and time management skills, effectively planning, prioritizing, and coordinating multiple tasks to ensure accuracy, efficiency, and timely completion of objectives.
- Proven ability to manage competing priorities and multitask in fast-paced environments while maintaining attention to detail, productivity, and high-quality work standards.
- Exhibited excellent deadline management and adaptability, consistently meeting project timelines and performing effectively under pressure while handling changing priorities and workload demands.
